

Uhlmann XXL

J U M B O
PARASOLS

The giants of the umbrella world, the XXL parasols are the perfect choice to shade large areas. Manufactured with ease of use in mind, the telescopic system and integrated gearbox with crank handle, makes operating these extra large umbrellas very easy. Large enough to cover an entire patio with just one umbrella, they provide commercial establishments with ample sheltered space for their customers.

- Sizes up to 10.0m
- Optional heating and lighting
- Customised sizes available

GLOBAL
PARASOLS

Canvas

Fitted with 100% solution-dyed Dickson Orchestra acrylic fabric as standard. Finished with Cleanguard Coating for additional weather protection. Colour fastness and UV resistance 7 to 8/8. All Uhlmann Jumbo parasols can be fitted with an optional valance.

Colour Options

*Note: colours shown on this page offer only an approximation of their actual real-life counterparts, as the screen and print settings on different computers cannot accurately reproduce some colour values.

Frames

Frames are manufactured to exacting German specifications from high-grade powder-coated aluminium for strength and durability. An internal winder is provided for easy opening and a telescopic system to close over tables. Frames can be powder-coated to any RAL colour. The arms are fitted with an adjustable, spring-loaded connector to maintain tension in the canopy.

Optional Extras

- Gutters and side-sheets.
- Heating and lighting with automatic cut-off switches and timers.
- Bases: in-ground, deck plate or free-standing base.
- Marine option for seaside installations.
- Corporate branding on request.
