

The latest addition to the Tradewinds parasol range - the Tradewinds Crescent centre post parasol offers both style and functionality in a new form. Featuring sweeping curves and eye-catching canopies, available in a variety of over twenty colour options, this parasol has fast become a world-leading choice as a shade solution.

Designed to grace both commercial and residential spaces, the Tradewinds Crescent is ideal for restaurants, cafes, hotel terraces and gardens.

Blending style with strength, high quality materials and workmanship ensure that Tradewinds parasols remain the number one choice for discerning customers.

- HUGE RANGE OF COLOURS AVAILABLE
- UPF50+ PROTECTION
- STRONG ALUMINIUM FRAME
- AESTHETIC STYLE & SHAPE

SIZES

Size (m)	Shape	Diameter Pole (mm)	Number of Struts	Total Height (mm)	Clearance Head (mm)	Clearance Closed mm)	Parasol Weight (kg)	Min. Base Weight (kg)
4.0	Octagonal	58	8					60

FRAMES

Tradewinds Crescent parasol frames feature aluminium poles and struts, supported by hand-crafted wooden hubs.

The frames are assembled with stainless steel brackets and bolts to allow for the easy installation of new component parts, should there be any breakages or damage at any stage throughout the parasol's lifespan.

CANOPIES

Long lasting, durable canopies are woven from Teflon coated solution dyed polyester featuring a three year anti-fade warranty. All pockets are reinforced with heavy duty PVC. A large air vent is designed to provide additional stability in windy conditions. Canopies are easily removable and 100% washable.

NOTE: Colours shown here offer an approximation of their actual real-life counterparts, as screen and print settings on different computers cannot accurately reproduce some colour values.
