

The Uhlmann Strongwind parasols are in a class of their own.

Meticulous workmanship is combined with beauty, sophistication and strength in this jumbo parasol.

Tested in a TUV certified wind tunnel with wind speeds up to 102km (60 miles) per hour and designed for exposed areas, their proven superior wind resistance makes them a perfect solution for any windy location where extra strength is necessary.

The Strongwind giant umbrella will enhance any architectural setting, and is suitable for both commercial and residential customers.
