

Extending our world-class Vortex parasol range - the Vortex gazebo was launched as the perfect solution for specific design requirements.

Manufactured in the UK with a marine-grade, stainless steel frame, fire retardant canopy and optional heating and lighting - the Vortex gazebo can be used as a year-round, semi-permanent structure.

Proudly designed and manufactured in England, this shade structure is suitable for nearly every weather condition experienced in the UK!

The Vortex gazebo is supported by up to a 10 year warranty.

- HIGHLY DURABLE
- WEATHER-RESISTANT
- LARGE FLOOR SPACE UNDER SHADE
- OPTIONAL HEATING & LIGHTING
- SEMI-PERMANENT SHADING

SIZES

Size (m)	Shape	Diameter	Cover Area
2.8	Square	76.2	7.84m ²
3.6	Square	76.2	12.96m ²
4.2	Square	76.2	17.64m ²

FRAMES

The frame structure is manufactured from 316 tubular stainless steel, selected for its strength, durability and resistance to tarnishing. All fittings are also manufactured from stainless steel, making the Vortex gazebo 100% recyclable.

- In-ground base
- Valance
- Spare parts
- Custom base
- Side sheets
- Replacement canopies

CANOPIES

The Vortex gazebo is fitted with Ferrari 502 PVC fire retardant fabric, available in a range of 40 different colours or STAM 6002 textured PVC (limited colours available). Vortex gazebo canopies can be screen printed prior to production or have vinyls attached once the gazebo is installed.

NOTE: Colours shown here offer an approximation of their actual real-life counterparts, as screen and print settings on different computers cannot accurately reproduce some colour values.
